ⁱ Manufacturers may have many manufacturing sites. This list reflects the specific manufacturing site that has been evaluated or undergoing reassessment as part of the prequalification process and is currently prequalified.

ⁱⁱ Prequalified products and the respective manufacturing site must undergo a requalification process every 3 years to maintain prequalification status.

ⁱⁱⁱ Undergoing prequalification reassessment. Remains listed until found to not meet requirements during reassessment. Pending CAPA submission period extended due to COVID-19 pandemic.

^{iv} Prequalification on-site inspection is postponed due to COVID-19 pandemic.
